

Çağrı Bilginer

Computer Engineer

Koç University, Istanbul, Türkiye

+90-531-828-4838 ✉ cagribilginer60@gmail.com [linkedin.com/in/cagribilginer](https://www.linkedin.com/in/cagribilginer) github.com/cago8 [portfolio](#)

EDUCATION

Koç University

Istanbul, Sarıyer

B.S. in Computer Engineering | GPA: 3.10/4.00

2021 – 2026

- Ranked 2,244th out of approximately 2.5 million candidates (top 0.1%) in the Turkish national university entrance exam (YKS).

EXPERIENCE

Yapı Kredi Teknoloji

Feb 2026 – Jun 2026

Software Engineer Intern

Çayırova, Kocaeli

- Contributed to feature development tasks using Java, React, and TypeScript within a microservices-based system, gaining hands-on exposure to enterprise-scale development practices in an Agile environment.

TEGSOFT Contact Center Softwares

July 2025 – Sep 2025

Test Engineer Intern

Istanbul, Sarıyer

- Designed and executed detailed functional test cases to ensure feature reliability and quality assurance for the contact center platform.
- Identified and tracked defects, collaborating with the Development Team to verify fixes.

IBTECH International Information and Communication Technologies

Sep 2024 – Feb 2025

Software Engineer Intern

Gebze, Kocaeli

- Developed features for a banking application using Java, C#, XAML, and SQL.
- Assisted in testing and debugging software modules under senior developers' guidance.
- Worked in an Agile environment, contributing to sprints and iterative development cycles.

EXTRACURRICULAR ACTIVITIES

Koç University Underwater Sports Club (KUSAS)

Jun 2024 – Jun 2026

Board Member

Istanbul, Sarıyer

- Organized scuba diving trips and events that introduced students to the sport and grew participation in underwater activities.
- Spent one month working aboard a dive boat in Kaş, Türkiye after graduation, completing SSI Divemaster training through hands-on dive operations, client guiding, and equipment management.

Koç University Renewable Energy Community (KUREC)

Dec 2023 – Jul 2024

Team Member

Istanbul, Sarıyer

- Worked in a multidisciplinary team on Hydromobile systems for the Teknofest Efficiency Challenge.
- Built and debugged STM32 embedded software for the in-vehicle gauge cluster and dashboard display, while motor driver, VCU, and other electrical hardware were handled by teammates.

Koç Ramses Ultimate Frisbee Team

Sep 2021 – Jun 2024

Player | Team Captain (2023-2024 season)

Istanbul, Sarıyer

- Competed with the university team in trainings and inter-university tournaments, and served as team captain for the 2023-2024 season, coordinating practices, strategy, and team culture.

PROJECTS

PocketPet | Unity, C#

In Progress

- Solo mobile game project where players raise, customize, and care for their own unique virtual pet through real-time growth and interaction mechanics.

RokueQuest | Java, OOP, Swing

- Roguelike dungeon crawler with procedural generation, turn-based combat, loot, and permadeath, built as a software engineering course project.

KUMap | Flutter

kumap.hub.ku.edu.tr

- Cross-platform campus navigation app for Koç University, published on Koç Hub and used by students to find their way around the Sarıyer campus.

ACTIVE | Flutter, Google Maps, AR, AI

- Flutter travel app built around an AI companion that gives context-aware suggestions and guidance throughout a trip, paired with Google Maps navigation and AR exploration moments.

EPL Predictor '26 | Python, XGBoost, React, Tailwind

PhotoCloud | Java, Swing, OOP

CERTIFICATIONS

SSI Divemaster | *Kaş, Türkiye*
Artificial Intelligence Track | *Koç University Specialization Program*
Data Analytics Track | *Koç University Specialization Program*

SKILLS & INTERESTS

Programming Languages: Java, Python, C, C#, JavaScript/TypeScript, HTML/CSS, VHDL, Swift, Dart
Frameworks: React, Flutter, .NET/XAML
Game Development: Unity, C#
Developer Tools: Git, GitHub, Docker, VS Code, Railway
AI Tools: Claude, Cursor
Databases: SQL, Redis, Qdrant
Methodologies: Agile/Scrum, Object-Oriented Programming (OOP), Microservices Architecture, Unit Testing
Languages: Turkish (Native), English (Advanced), German (Beginner)
Interests: Video Games, Scuba Diving, Ultimate Frisbee, Photography, Basketball
